UPPER SCHOOL SUPPLY LIST

Band Supply List (H. Farley)

- A Pencil
- Flip Folder and Lyre for Marching Season
- Blue “Foundations for a Superior Performance” fundamentals book for your instrument (Books will be supplied to new students by the Fayette Academy Band. If you are a returning student and have lost your book, you must pay Mr. Farley for a replacement, or obtain one on your own.)
- As part of our “Summer Marching Uniform,” students will also need: khaki shorts, white socks, and tennis shoes. T-shirts will be provided in July.
- Other needed supplies specific to your instrument such as: Valve Oil, Key Oil, Polishing cloths, cleaning rods or snakes, etc...

Recommended instrument brands (for Brass and Woodwinds) include:

Accent, Artley, Armstrong, Bach, Besson, Bundy, Conn, Gemeinhardt, Getzen, Holton, Jupiter, King, LeBlanc-Vito, Noblet, Selmer, Yamaha

For PERCUSSION Students:

- A beginning band percussion kit that includes:
- A Bell kit and stand (IMPORTANT: The bell kit should be one WITHOUT notes etched on the bars!)
- A Practice Pad
- VIC FIRTH SD1 General Concert Snare Sticks STICVISD1
- F1.5 Medium Yarn Fundamental Marimba Mallets w/Birch Shaft
- “Essential Elements,” Book 1 for Percussion

For TUBA Students:

If your student was selected to play Tuba, he/she needs a silver plated Tuba mouthpiece (no plastic mouthpieces) and a beginning band book: “Essential Elements,” Book 1. Fayette Academy will provide a tuba for your student, as these tubas tend to be prohibitively expensive. All students learning tuba will begin on what's known as a "mini-tuba," and work up to a full size tuba as they continue to pursue band in future years.

School Owned Instruments:

Fayette Academy Band has a limited supply of Tubas, French Horns, and Baritones. These instruments will be distributed to students on a first-come, first-serve basis. Please contact Mr. Hinson for additional details, or to reserve one of these instruments. Students will still be responsible for purchasing a mouthpiece, beginning band book, and paying the \$100 maintenance fee, to be paid at the beginning of the 2017-2018 school year. (Checks made payable to “Fayette Academy.”)

Additional information regarding instruments:

While good deals can certainly be found on in the Internet, such as sites like eBay, parents should use caution, as many instruments offered are of inferior quality or need quite a bit of

repair work to be made in playable condition. Please purchase/rent one of the brands listed, and do so from a reputable vendor. Many music stores that rent also have maintenance plans available, and such plans are HIGHLY recommended. Local recommended stores include (but are not necessarily limited to):

AMRO (901) 323-8888
2918 Poplar Avenue, Memphis, TN 38111

Saint Fishys (901) 383-6500
2965 N Germantown Rd, Bartlett, TN 38133

Mid-South Music (901) 465-4739
14670 Highway 193, Williston, TN 38076

Please avoid purchasing instruments from "big box" retailers such as Sam's Club, Wal-Mart, or Costco, as these businesses often sell inferior brand instruments of questionable quality that are simply not durable or reliable. For those that wish to have the convenience of renting/buying an instrument on campus at Fayette Academy, I will host an "instrument drive" one Saturday shortly after school begins. I will make those specifics known at a later date.
