

Fayette Academy Gymnastics

Welcome to our new gymnastics and tumbling program. We are glad you are here! This program teaches the skills for beginner/intermediate/advanced tumbling and gymnastics. We offer classes for PRE-K through middle school aged children. Our coaches are all certified through USA Gymnastics.

Each level is skill based and as each child completes skills they will be evaluated to move forward in their learning environment. All classes are held on our property here at Fayette Academy. Our Pre K, Kindergarten and 1st grade classes are held in the Lower Elementary and all other classes will be held in the Performing Arts Center. Please contact Angelia Johnson for more information.

CATCH THE OLYMPIC SPIRIT!

Our Mission

Fayette Academy is a college preparatory school based on Christian beliefs and is dedicated to providing a quality education for students in Pre-K through grade twelve. The school is committed to the development of each student with emphasis placed on academic, personal, moral, social, and physical development in a safe environment.

At Fayette Academy Gymnastics you will find a friendly and fun learning environment. All of our coaches have been Safety Certified and trained by USA Gymnastics standards. Classes are open for children Pre K 4-6th grade. We have classes after school Monday through Thursday. Classes are open to all children in our community.

Class Descriptions and Schedules

The primary objective of the recreational program is to provide your son or daughter with a strong foundation in beginning levels that he or she will be able to build upon in future levels. Each level has specific goals and these are designed for each child's skill level both physically and mentally. Gymnastics helps develop coordination, balance, flexibility, strength, self-confidence and discipline which helps provide a strong foundation for all sports.

Pre K-Kindergarten- Each child will be learning different skills in gymnastics and tumbling. These skills will include: tucks, pikes, straddles, forward and backward rolls, cartwheels and much more.

1st and 2nd Grade- Students will work on all of the basic skills needed for gymnastics. This will include cartwheels, handstands, bridges, walkovers, and many different strength and flexibility exercises.

3rd and 4th Grade-All gymnast will work towards gaining basic knowledge of gymnastics and skills to move forward in their classes. Each class will be designed to promote safety first and a fun learning environment for your gymnast. All skills will be evaluated at the end of each session.

5th and 6th Grade- Gymnast will come to class prepared and ready to learn. Each gymnast will work towards achieving basic skills to move forward and reach their individual goals.
